S. Comments:Raced wide throughout. Apprentice T. Brooker reported that whilst she was forced to race wide throughout, she was nevertheless disappointed in the filly's effort in finishing the race off, and eased her mount over the concluding stages. Trainer reported that the filly had returned to scale with blood in its mouth and had dislodged 2 teeth, and would advise stewards of any further abnormalities that may come to light.

S. Comments:Raced wide without cover. J. Orman indicated that despite being wide he was comfortable with how the horse travelled, however when placed under pressure the horse failed to respond and became very awkward in its action, weakening badly in the home straight. A post-race veterinary examination revealed no significant findings. Trainer S. Kendrick indicated that he would have an endoscopic examination performed on the horse and advise stewards of the findings. Stewards advised him that if there was no veterinary explanation for the performance, the horse would have to trial before next start.
