S. Comments:When asked to comment on the performance, jockey J. Lloyd stated that he had been instructed to ride the horse on speed, however his mount began awkwardly and this positioned him towards the back of the field. He indicated CHIC SALE did not travel comfortably and when VIDARR shifted out near the 600m his mount commenced to lay out away from the horse and continued to do so for the remainder of the event. He added that he had recommended to connections to start the horse over more ground where it may be able to obtain a forward position more easily.

S. Comments:Began extremely awkwardly, almost dislodging its rider and losing ground, and then hung out badly throughout and took no competitive part in the event. Connections were advised that the horse must trial to the satisfaction of stewards. J. Lloyd reported that in his opinion the horse resented racing in the Kyneton nose band, which was an addition to the horse's gear I today's event. A post-race veterinary examination revealed no abnormalities other than that the horse had lost both fore plates in running.
