He indicated that for this reason he had engaged a left-handed whip rider and was of the view that this had a beneficial effect on the performance.

S. Comments:Finished tailed off. S. Fawke indicated that he had been instructed to ride in a forward position with cover if possible, however when caught wide passing the 1600m he elected to allow the mare to assume the lead and felt that the horse set a steady tempo throughout the race and in his view was disappointing when asked for an effort in the home straight. A post-race veterinary examination revealed no abnormalities. Connections indicated that the horse may be sent for a spell.
