Questioned re: performance - trainer stated gelding worked well leading into event and she was confident of chances. Noted that this wa the second occasion the gelding failed to see out the distance of 1400m and as such she would step it back in distance at future starts. Post race vet exam failed to reveal any abnormality.

She stated that she had been instructed to ride the filly quieter today, however she was unable to gain cover and therefore she was obliged to race wide throughout. Trainer T. | S. Comments:Bumped on jumping. Steadied from heels near 800m. Rider stated when positioned off the fence behind the leaders the horse forward off him was racing in a loose one off position. Therefore reluctant to shift wider to improve as he thought he would be taken wider rounding the home turn. Waited for that horse to shift out which it did near 400m. Attempted to improve inside of that horse however leader on fence shifted out at same point and was disappointed for that run and was held up until entering the home straight. Cahill stated that after being ridden hard in the early stages to hold a forward position, the mare refused to settle and then had a tendency to hang out rounding the home turn, which was a telling factor on its performance today. A post-race veterinary examination revealed the mare to have a slower than normal recovery rate. |                                |  |

Comments:When questioned regarding the performance of Laugh A Little, S Pollard stated that he was under no instructions however when caught wide in the early stages he allowed his mount to stride forward and lead whereupon the filly raced comfortably with only a moderate tempo being set. A post-race veterinary examination of Laugh A Little revealed no abnormality. |                    |             |                                     |

When pulling hard approaching the first turn shifted out away from heels, forcing another runner wider. Stewards asked Jim Byrne to comment on the disappointing performance of the horse. He said the tempo of the race then slowed so he elected to shift out to the outside of the heels of the leader near the 1000m. He said from that point on his mount never travelled comfortably in the soft track conditions and when ROYALTOWN ROAD improved up around him from the 700m, his mount appeared to not appreciate racing inside other runners and despite being placed under pressure did not respond and was most disappointing. S. Comments:Rider L. Dittman explained that from the wide draw his intention was to be midfield with cover if possible. He said he began best and it became apparent early on no runners to his inside appeared intent on leading, so he elected to stride forward and cross to the lead despite his instructions. After doing this he endeavoured to steady the tempo however his saddle shifted forward and as he was reluctant to fight the gelding he felt obliged to let it run along at a moderate tempo in front.

S. Comments:Rider when questioned stated she would have liked to have positioned her mount closer, however was obliged to niggle her mount in order to hold a position throughout the race and, in her view, SMASHER it did not travel comfortably at any stage. She said she did not anticipate being forced wider at the 700m and attempted to hold that horse in near the 500m, however SMASHER was not travelling well enough to do so, and the horse's overall performance,was disappointing.R Heathcote indicated post-race,the horse seemed lethargic and in light of today's performance he would have blood tests taken.
