Comments: When questioned as to the improved performance stable representative G Green stated that at its last start the gelding, after beginning well, over-raced for the majority of the event when positioned outside the leader and as a result compounded over the concluding stages on that occasion. Mr Green stated that the gelding performs better when able to be ridden with cover as it was today. His explanation was noted.

S. Comments: When asked to comment on the performance, jockey J. Byrne indicated that the horse began well and with hindsight he felt he would have been better served riding in a more forward position but as the horse's pattern of racing is racing back in the field he settled at the rear, however the slow pace set in the middle stages did not suit the mare's pattern of racing and this had a detrimental effect on the overall performance.
