Jockey Taylor added that near the 1200m and again near the 500m he was hampered as a result of interference forward of him and that when afforded clear running in the home straight, the gelding finished the race off well.

S. Comments:Began awkwardly. When questioned regarding the tactics adopted, in particular setting a quick tempo in the early and middle stages, trainer stated that the filly's best runs have been when it has been allowed to roll along in front and attempt to run the field off its feet. Mr Hansen added that the filly does not appreciate being overly restrained or racing around other horses and is much better suited by the tactics adopted today. Mr Hansen added the filly has never raced on a surface worse than good before and he is not convinced it appreciated the soft track conditions today.

He indicated that this was the horse's first start over more than a 1000m this preparation and as there was a lack of pace in the event and as the horse has had a tendency to be slow to begin at its most recent starts, he instructed S Elbeck to be aggressive in the early stages however, did not instruct her to lead. Mr Wilson was reprimanded and advised that in similar circumstances he would be expected to approach stewards with instructions of this nature.
