S. Comments:Slow to begin and despite the efforts of its rider trailed the field for the majority of the race. A post-race veterinary examination failed to reveal any apparent abnormalities at the time of examination. Reported that gelding pulled up well after the race and blood tests had failed to reveal any abnormalities. Would step gelding up in distance next start. Warning placed on uncompetitive performance.

S. Comments:Inquiry re performance. Rider said was instructed to position back back in the field and after beginning well from a wide alley in order to fulfil instructions he took hold to take a trailing position. He said after the crossing when placed behind other runners near the 600m his mount commenced to race greenly and he had to pressure his mount, and the gelding laid in under pressure in the home straight. He felt it would benefit from the addition of blinkers and stepped up over more ground. Trainer agreed with those, adding it may race in a more forward position next start.

A post race veterinary examination of the horse, which weakened over the final 300m, failed to reveal any significant abnormalities. Trainer D. Murphy undertook to report to stewards any abnormalities that come to light which may have had a bearing on today's performance.

He said that as soon as the gates were released he elected to restrain his mount in the hope he would find a position towards the rear with cover outside ZARFASTER and behind SWIFT AND SASSY He added he was inconvenienced by both of these runners, which were overracing badly and shifting away from the rail. He said that from the 800m he considered improving his position however ZARFASTER, which was continuing to overrace, improved resulting in him being left 3 wide at the tail.
