S. Comments:K Wharton questioned regarding tactics. Jockey Wharton indicated in the enclosure prior to the event he and trainer Mr B. Hill discussed the possibility of riding the horse in a more forward position today, and whilst the intention was not to lead, both parties were satisfied that the horse would be ridden in a more forward position in today's event. Mr Hill confirmed this was the case and stewards, in light of the evidence, issued Mr Hill with a reprimand under AR135A in that he failed in his obligations to notify stewards of a change in tactics.

S. Comments: Trainer S. Kendrick was questioned by stewards regarding the seemingly improved performance from its most recent start. He indicated that at its previous start, the rider had reported that, in his opinion the horse was not comfortable on the smaller track and it had become awkward rounding the turn. He agreed that it was disappointing however felt that it was doing its best work over the concluding stages and was not surprised with the forward showing today. He felt the horse was also advantaged by the more favourable barrier draw.
