S. Comments:Began awkwardly and shortly after had to be steadied from the heels of Single Gaze, which shifted in. When questioned, J. Collett stated that his mount was inclined to hang out throughout the event and after the 200 metres shifted out abruptly. He added that upon return to scale he had observed his mount's tongue over the bit which he believed was the principal factor in his mount's poor tractability during the event. A post-race veterinary examination of the filly revealed no abnormalities. Trainer Mr B. Cavanagh advised that the filly would now be sent for a spell.

S. Comments:Overraced on heels near the 800m and shifted out, making contact with the runner to the outside before being checked from heels. Stewards asked stable representative G. Thompson to explain the mare's seemingly improved performance. He indicated that the horse did not perform well after overracing and going to the lead at its most recent start and added that in prior starts the horse had been quite disappointing this preparation. He indicated that had the horse not performed well in today's event, consideration would have been given to retiring the horse.

Held up rounding the home turn and until the home straight, and near the 300m the rider attempted to force another runner wider to obtain clear running and made contact with that runner on a number of occasions and became unbalanced. Then continued to be held up for clear running until approaching the 100m.
