He said from the wide draw, and speed inside, he restrained, tryng to cross and find a midfield rail position. He said at the start it was reluctant to stretch out early and got further back than anticipated, and in the back straight began to travel strongly and overraced but then travelled nicely thereafter, and in the straight despite having

an uninterrupted run, it only finished off fairly, adding he would recommend it be stepped up in distance. 3-9 IPSW 1350 Good 23/09/2015 MDN-SW (Race 2) Brad Stewart

S. Comments: Rider questioned regarding her vigour from near the 500m until approaching the 300m. She said she slapped the horse down the shoulder approaching that point and it became awkward and shifted out. She then balanced it again and was concerned that as it was having its first start, it may make the turn awkwardly and she was reluctant to apply full pressure at that point. Stewards advised Ms Lacy that in similar circumstances she would be expected to apply full vigour as the horse had become more tractable at that point, however given her limited experience, took no further action.

He added that the mare did work to the line fairly however he was nevertheless disappointed with the performance.
