S. Comments:Rider questioned regarding her vigour from near the 500m until approaching the 300m. She said she slapped the horse down the shoulder approaching that point and it became awkward and shifted out. She then balanced it again and was concerned that as it was having its first start, it may make the turn awkwardly and she was reluctant to apply full pressure at that point. Stewards advised Ms Lacy that in similar circumstances she would be expected to apply full vigour as the horse had become more tractable at that point, however given her limited experience, took no further action.
