S. Comments:M. Hellyer said that the mare did not muster early speed, was at the tail of the field, and when pressured from the 600m commenced to hang out. He added that when placed under heavy pressure from the 400m the horse changed stride and raced more tractably and although having some difficulty securing clear running when improving on to the heels of weakening runners, finished the race off nicely and was doing its best work over the concluding stages. He indicated that the horse would be much more suited to races over 1400m and beyond where it will have the opportunity to take up a forward positio

S. Comments:When asked to comment on the horse's performance, M. Cahill stated that from the wide alley he was obliged to position the horse at the tail of the field in order to obtain cover closer to the fence and was then obliged to shift very wide on the home turn in order to secure clear running. He indicated that in all the circumstances he was satisfied with the horse's performance as the horse was doing its best work over the concluding stages and finished the race off well. He advised that connections intend stepping the horse up over more distance. Lost the near fore plate in running.

Jockey Morris added that these instructions were issued on the basis that the gelding had performed well when ridden in that fashion at its Victorian starts. Trainer J Walk confirmed the instructions and noted that the gelding was up in distance today. Mr Walk was reminded of his obligations to advise stewards of any intended change of tactics.

S. Comments:Reared at the start. Had to be checked when tightened for room approaching the 900m. Trainer S. Watters advised stewards that when ONE IN ONE OUT reared at the start and lost round and met with interference near the 900m, the horse was not suited as it races best when racing in a forward position. A post-race veterinary examination revealed no significant findings.

S. Comments:When questioned regarding the performance, Jockey M Hellyer explained that the horse has shown previously that it races best when allowed to dictate terms on its own accord. He said today he was keen to maintain the lead, however, it was headed by HIDDEN ROAD. He said the horse then travelled only fairly however, once PONCHERELLO raced up alongside, his mount dropped the bit and commenced to weaken before straightening. In straight did not persist in riding it out as was losing ground quickly. Post-race examination revealed poor post-race recovery and mild heart stress.
