S. Comments:M. Hellyer said that the mare did not muster early speed, was at the tail of the field, and when pressured from the 600m commenced to hang out. He added that when placed under heavy pressure from the 400m the horse changed stride and raced more tractably and although having some difficulty securing clear running when improving on to the heels of weakening runners, finished the race off nicely and was doing its best work over the concluding stages. He indicated that the horse would be much more suited to races over 1400m and beyond where it will have the opportunity to take up a forward position

Of concern was her lack of vigour to improve into the race from the 600m where it appeared there was opportunity to do so. Miss Lacy indicated she agreed there was a position inside of RESET EXPRESS, however she indicated she was of the view that RESET EXPRESS may shift in, which it did approaching the 400m, however she accepted that in hindsight taking advantage of this run would have been beneficial. S. Comments:Stewards asked M. Hellyer to comment on the horse's performance. He indicated that as the horse had a tendency to hang, he was mindful of this in the running. The horse did lay out somewhat rounding the home turn and when attempting to secure clear running in the home straight, he looked to improve to the inside of BAR FLY BARRISTER, however when that horse shifted back towards the fence he elected to shift out approaching the 200m and was then also obliged to shift out further to obtain clear running outside THE COLUMBIAN. He added that the horse was doing its best work over the final stages.
