S. Comments:Questioned re performance - rider explained he rode with vigour in early stages to establish a forward position, however passing the 1000m he was unable to muster sufficient speed to cross leaders and obtain position closer to the rail and as a result was forced to raced wide throughout middle stages. Rounding the turn near the 600m his mount was inclined to race on one rein and rounding the home turn hung outwards and ran wider on the track. Gelding responded to urgings, however felt effects of a wide run throughout the early and middle stages. Post race vet exam revealed no abnormalities.

Added when pace of the race steadied from 1000m to 600m the colt commenced to overrace and in his opinion was not comfortable in today's track conditions. Further added that the colt failed to sprint when placed under pressure and found the line fairly and also added it may be better suited over further distances.
