S. Comments: Jockey J. Lloyd advised that after having a favourable midfield position one off the fence the horse did overrace for a short distance when the pace was only steady in the early stages. He added that runners then improved around the field during the middle stages and he settled further back in the field than he would have liked. When rounding the home turn he improved into clear running, however the horse was very disappointing in the straight and failed to finish the race off. A post race veterinary examination failed to reveal any significant abnormalities. Trainer S. S. Comments: Stewards questioned B. Grylls regarding the factics she adopted in the middle stages when she steadied her mount after having secured the lead, which resulted in her being in a trailing position. She stated that approaching the 1200m she did not wish to have to pressure her horse to hold the lead when HIDDEN GOLD improved to her outside so she elected to steady and allow that runner to cross. She added that shortly thereafter RED CHANDELIER improved to a position inside her heels and she was obliged to settle in the position one off the fence. Stewards noted the explanation.

S. Comments:Began awkwardly and lost ground. Steadied from the heels of a tiring runner approaching the 400m. When questioned regarding the tactics adopted in the home straight as to why he did not take an available run to the inside near the 200m, apprentice M. Schrapel advised that initially he committed his mount to the outside and by the time he was able to change course to the inside the run was closing and he did not feel it was safe to pressure his mount to improve into that position. Stewards noted the explanation.
