S. Comments:Rider questioned re tactics - stated instructed to settle where comfortable. As a consequence after beginning well eased out of early speed. Leaving 900m obliged to ease again when placed in restricted room to inside of DANCING ON PARADE, resulting in racing a length further back than anticipated. Tempo then dropped resulting in racing strongly at heels of DANCING ON PARADE during middle stages before being left flatfooted when tempo increased leaving 500m. Noted finished races off fairly and may be better suited on firmer track over further distance.

S. Comments: Held up for clear running approaching the 400m and shifted out in attempt to secure clear running and in doing so made heavy contact with another runner, causing both horses to become unbalanced. Rider S. Cormack was reprimanded in relation to this incident and advised to exercise more care. Laid out badly under pressure from the 350m, causing its rider to pull the whip through to the nearside and causing its rider to ride hands and heels from approaching the 100m. Rider interviewed in relation to his apparent failure to ride the gelding out over the final strides. Refer Stewards Report.

S. Comments: Trainer questioned re improved performance - explained at previous start drew wide and in an attempt to obtain cover had to go further back than they would have liked and in a slowly run race made it very hard to make up ground over concluding stages. Of the view run was better than it looked and today being in 900m race felt speed would be on and drew a better barrier, which aided being in a better position. Added gelding handles heavy track conditions and gave it a reasonable change of winning today. Stewards noted explanation.
