A post-race veterinary examination revealed a poor post-race recovery.

S. Comments: Trainer questioned re the horse's seemingly improved performance. He said he had expected a forward showing in today's event as he had anticipated the track having more give than at its two most recent starts. He added that the horse has performed well previously racing on similar surfaces. He further added that the gelding was able to obtain the lead without being challenged today and he believed this was also beneficial to the horse's chances. He said he had supported the horse as he believed that having a 3kg claiming apprentice was also a significant factor.

S. Comments: A veterinary examination of the horse, which was kicked in	the tie-up stalls, cleare	ed the gelding to race.	A further examination at the barriers

cleared the horse to race. Had a tendency to lay in over the final 100m, causing jockey B. Stewart to stop riding. Jockey B. Stewart was fined \$200 for using his whip more than 5 times prior to the 100m. In determining penalty, stewards took into account jockey Steward's good recent record regarding breaches of this rule and that this event was a staying race.
