When questioned as to the seemingly improved performance, Trainer I Livingstone stated that the mare failed to perform as expected during a campaign earlier this year in Melbourne. Mr Livingstone added that since returning to his stables the mare had impressed him in its work and subsequent trials leading into today's event and as such he was hopeful of a forward showing.

S. Comments:Slow to begin. When questioned regarding the expected performance of the horse, trainer B. Dais explained that the gelding had not started for over 12 months but had trialled well in blinkers leading up to today's event. He was of the opinion that the gelding, from a favourable barrier, would be competitive. Stewards noted that the gelding was well supported in betting. Mr Dais advised that he and connections had only a small investment on the gelding today.

Dais was advised that a veterinary clearance, including the results of an endoscopic examination, will have to be provided before horse's next start.

When questioned regarding the horse's overall finishing effort over the concluding stages, he said the gelding was disappointing and that the early effort may have told at the finish. Trainer B. Lockwood said that in light of today's performance he would look to freshening up the gelding before resuming.
