S. Comments:When questioned regarding the poor performance of the gelding Jockey said that after beginning only fairly his mount was able to obtain a prominent position, where it travelled comfortably throughout, however when a run presented rounding the home turn he placed his mount under pressure and it did not respond to his urgings and was disappointing. Jockey added that in his opinion the gelding performs better over longer distances than today's event. A post-race veterinary examination did not reveal any abnormalities.
