When questioned regarding the performance of the mare Jockey stated that his mount pulled hard in the early stages and passing the 800m he elected to stop fighting the mare and allow it to travel how it was comfortable. Jockey stated that rounding the home turn his mount failed to respond to pressure in any capacity and was very disappointing in its run to the line. A post race veterinary examination of the mare failed to reveal any abnormalities.

S. Comments:Passing the 1400m had to be steadied when momentarily tightened for room. When questioned regarding the performance, Jockey explained that he had been instructed to ride the gelding in a forward position, in accordance with its established race pattern. He said that when the pace quickened he was only able to maintain a midfield position, where his mount travelled fairly throughout, however when placed under pressure in the straight failed to respond to his urgings and was disappointing. A post-race veterinary examination revealed that the gelding had sustained lacerations to both hind legs.

Trainer indicated that he would experiment with the gear on the gelding. After hearing the submissions tendered by trainer Stewards ruled that after spelling the gelding would be required to barrier trial satisfactorily on two consecutive occasions.

S. Comments:When questioned rider stated that the gelding travelled well throughout the early and middle stages, however when placed under pressure from the 400 metres was disappointing in the manner in which it finished its race off. A post race veterinary examination did not reveal any abnormalities.
