S. Comments:When questioned regarding her riding of the mare, Apprentice explained that she had been instructed to take up a midfield position, however after beginning awkwardly she rode her mount along to obtain a favourable position, where the mare travelled strongly. However, shortly after straightening she attempted to improve to the inside of another runner but was disappointed for that run and as a result was held up for the entirety of the home straight and went to the finish without being tested. A post-race veterinary examination did not reveal any abnormalities.
