S. Comments:Rider accidentally dropped whip near the 250m. Rider questioned regarding horse's performance. He said the gelding did not begin well and as a result settled at the rear of the field, and after passing the 1200m he had to steady the horse and shifted wider. He added that following this the horse commenced to overrace which resulted in him racing three wide for the remainder of the event. He was of the opinion that these circumstances contributed to the overall performance. Vetted and found to be lame in the near foreleg. Vet clearance must be produced prior to the horse racing again.

He added he may have erred in shifting as wide as he did, but was trying to fulfil his instructions.
