S. Comments:When questioned as to whether there was an opportunity to maintain a trailing position behind the leader during the middle stages of the event rather than surrendering this position to another runner, jockey advised that due to the strong early tempo set, he was of the view to restrain his mount during the middle stages to allow the horse to travel more comfortably which in his opinion would have enabled the mare to finish the race off to its full potential, bearing in mind the steep weight rise tonight from its most recent win.
