S. Comments:Slow to begin. Rider questioned riding rounding home turn as to whether there was opportunity to shift wider on track and improve into race from 500m. Rider stated leaving 500m was concerned ONE GREY, which was racing forward of him, was going to be taken wider by CANTBUYBETTER and was reluctant to improve to outside of that runner. Rider added approaching 400m he was aware ROYAL OCCASION had improved to his outside and was therefore unable to shift wider without causing interference to that runner. As a consequence was then held up for clear running upon straightening. Comments noted.

S. Comments:Raced three wide without cover for the majority of the event. When questioned regarding the improved performance, trainer M. Kropp stated that whilst the horse has only had three starts for his stable, he had elected to make significant gear changes of removing the blinkers and tongue tie off the gelding for this start, and he attributed the improved performance to these changes. Stewards noted the explanation, but nonetheless advised Mr Kropp they would expect the horse to hold its form.
