S. Comments:When questioned as to whether there was an opportunity to maintain a trailing position behind the leader during the middle stages of the event rather than surrendering this position to another runner, jockey advised that due to the strong early tempo set, he was of the view to restrain his mount during the middle stages to allow the horse to travel more comfortably which in his opinion would have enabled the mare to finish the race off to its full potential, bearing in mind the steep weight rise tonight from its most recent win.

S. Comments:Tnr. questioned re performance and tactics. He said he told rider the gelding does not possess a sprint and told him to improve into the race

early if the pace was only steady. Rider said he was mindful of instructions and in the early stages when it appeared that the race was panning out in that

fashion, he thought that it in the best interests to improve three wide and position outside the lead passing the 1000m. He said when asked for an effort in

the straight, the horse only finished off fairly and he had recommended to consider giving the horse a brief break from racing to freshen it up.
