S. Comments:Began awkwardly and lost ground. Raced keenly during the middle stages of the event. Raced wide throughout. Vetted after performing disappointly with no abnormalities detected. Both trainer M. Nolan and jockey K. Yoshida were of the opinion that the poor performance was attributable to the horse racing wide and also not running out a strong 1625m of tonight's event.

S. Comments:When questioned re his ride between the 1000m and the 700m G Ryan explained that he had intended to obtain cover in a forward position in the early stages, however after achieving this the gelding pulled too hard to maintain that position and he was forced to shift around heels passing the 1000m and covered excessive ground whilst still racing fiercely rounding the turn near the 800m. He said that despite this the gelding was still strong in its response until the 100m and said that if it could race more generously in the early stages of its races it would be very competitive in similar class.

When asked to sprint his mount failed to respond and weakened. Over the final 100m his mount was making an abnormal respiratory noise and he suspects that it got its tongue behind the bit. Mr G.Cooling stated the filly had worked well since its first up effort and was confident today. Mr Cooling added that he would add a tongue tie to the filly's gear and step it up in distance next start. A post race vet exam did not reveal any abnormality.
