Lloyd stated that the mare travelled reasonably well until a point passing the 400m when it was shifted wider by another runner trying to improve to its inside and from that point until the 300m the mare dropped the bit and failed to respond to his urgings, however over the final stages maintained a run to the line. He added that in his opinion the horse raced greenly and that he had recommended to connections that winkers be put back on the mare for its next start.

S. Comments:When questioned by Stewards in relation to the improved performance of the gelding, trainer T. Dougall advised that following the horse's poor performance at Miles on 11 February 2017 he freshened the horse up and altered its trackwork in preparation for today's event. He added that the horse worked well on the Wednesday morning prior to today's event, and whilst it was suited by the drop in weight for today's event, and had previously shown a liking for this track, he was nevertheless surprised that the horse was able to win today's event. Stewards noted the explanation.
