On returning to scale jockey Bradley Appo reported that after being slow to begin the horse failed to respond to his urgings to improve its position and was reluctant to stretch out, resulting in the horse trailing the field throughout the event. A post-race veterinary examination revealed no abnormalities. Trainer R. Smith advised that the horse has a history of hoof issues, which she believed may have been a contributing factor in the horse's poor performance tonight. Ms Smith undertook to report to Stewards the results of further veterinary tests she intends to have carried out.

 S. Comments:When questioned by Stewards in relation to the improved performance of the gelding, trainer T. Dougal advised that following the horse's poor performance at Miles on 11 February 2017 he freshened the horse up and altered its trackwork in preparation for today's event. He added that the horse worked well on the Wednesday morning prior to today's event, and whilst it was suited by the drop in weight for today's event, and had previously shown a liking for this track, he was nevertheless surprised that the horse was able to win today's event. Stewards noted the explanation.
