Ms Sears added that she believed the horse derived a fitness benefit from that run, and with a good record second up, an improved showing today was not entirely unexpected.

S. Comments:Bumped by another runner at the start. Overraced for a short distance after passing the 1300m when the pace slackened. When asked to comment on the tactics adopted on her mount, particularly where she positioned in the event, apprentice jockey Savva indicated she would have liked to have lead or raced on the pace, which has been the horse's racing pattern, however the horse received a bump from another runner on jumping away and despite her urgings failed to show any early speed and was obliged to settle in the second half of the field. Stewards noted the explanation.

S. Comments:Jockey S. Bogenhuber reported that when the tempo of the race was solid during the middle stages, it was not her intention to cross to the lead passing the 1000m, however due to her mount overracing she was unable to hold her position outside the leader and was therefore forced to cross to the leading position.
