He added that during the middle stages of the event his mount was inclined to hang out and when pressured near the 400m the gelding did not quicken as expected, resenting the kick back and proved disappointing over the concluding stages of the event.

When questioned regarding the disappointing performance, jockey Goltz advised that he would have liked to have settled in a more forward position, however the mare failed to muster the necessary speed to do so, which resulted in him settling in a mid to back position. He added that the mare, in his opinion, may not have backed up from its last start 6 days ago when winning and also was not entirely comfortable on the prevailing track conditions tonight and as a result proved disappointing. | Ron Goltz         | (9) 57 R61          | \$14,000 \$6 \$10<br><b>In Running: /6/8</b>                      |

S. Comments:Rider questioned re her riding of the horse which raced in the four wide position for the majority of the race. She advised that her instructions were to take an easy lead if possible however if it was not possible to take a sit behind the leaders and work home from the 600m. She added that she attempted to lead but at the turn out of the straight the horse was three wide and unable to cross and therefore she was forced to race outside the two leaders in a three horse field. She added added that the horse hung out slightly to place her in a four wide position during the event

Maund said his instructions were to ensure he was the widest runner in the home straight as the horse has shown a tendency to resent racing inside of other runners. He added he may have erred in shifting as wide as he did, but was trying to fulfil his instructions. Stewards advised jockey Maund they felt he had erred, but given the margin between first and second, they did not take further action. |                  |              |                                   |

| S. Comments:Began awkwardly and shifted out at the start, bumping another runner. When questioned regarding the improved performance of the horse, in contrast to its previous start at Beaudesert, trainer R. Mackay advised that at its last start, after being caught wide, the horse was ridden back in the field, which was to its detriment. He added that the horse is better suited when ridden on the pace, and on its home track under rain-affected conditions today he expected a forward showing from the mare. |  |                             |                         |
