He stated that his instructions were to lead in today's event however he was challenged for the lead by another runner and as a result he was unable to obtain the lead on his own. He added that he was of the view that this had a detrimental effect on the mare's performance. A post-race veterinary examination revealed that the mare was displaying a slow recovery rate.

S. Comments:Rider questioned re riding tactics adopted on horse, which raced outside of the leader IMPERIL and applied pressure to that runner resulting in a fast tempo being set in middle stages. Rider explained that NELAMOS has raced best when ridden on the speed but in hindsight was of the view she could have made a greater effort to restrain her mount and take a trail behind IMPERIL. Stewards agreed it would have been more advantageous to restrain and give the horse an easier run to allow the gelding to finish the race off strongly.
