S. Comments:When questioned regarding her riding Apprentice stated that the gelding, which was having its first race start, was slow to begin and shortly afterwards was further hampered and raced in a rearward position throughout. She said that shortly after straightening for home she shifted her mount to the outside, where she attempted to place it under pressure, however when struck with the whip it shifted out abruptly and raced greenly.

S. Comments:When questioned apprentice stated that approaching the crossing near the 700m his mount blundered resulting in him becoming unbalanced and the saddle shifting to the near side which placed him at a disadvantage. Shortly after this he said his mount then commenced to hang out and was awkwardly placed on heels rounding the home turn and had to be steadied. He added that after becoming awkward on heels and whilst being unbalanced in the saddle he lost use of his irons which placed him at distinct disadvantage for the remainder of the race.

S. Comments:When questioned as to the seemingly disappointing performance, jockey stated that the mare travelled well in the early and middle stages but when he asked the mare for an effort leaving the 300 metres she responded only fairly and proved disappointing. A post - race veterinary examination of the mare did not reveal any abnormalities. Trainer stated that the mare had had one start on this track before and a proved disappointing and believes that the mare does not handle this track.
