S. Comments:Rider and trn. questioned about tactics. Rider said he had been instructed to steady his mount out of the barriers and take up a rearward position, which were the same instructions for the horse's last start. He said in his opinion the horse performed disappointingly in the home straight and was of the view that it did not back up well after its last run. Trn. said he had issued the same instructions at its last start and it settled further forward in the event than he had anticipated. Stewards noted the explanations. He also added that he would send the horse for a spell.
