When afforded the opportunity to comment on the performance of the horse, rider T. Bell stated that after travelling 3 deep for the majority of the race the filly raced greenly, and after applying the whip near the 300m his mount shifted in abruptly and had to be steadied to avoid heels. He added that he advised connections that a step up in distance may benefit the filly in future starts. A post race veterinary examination failed to reveal any significant abnormalities.

S. Comments:Inquiry re riding tactics. Rider stated that she was mindful of the wide position she was in, however her instructions were that once getting to the 800m to ride forward from that point. She added that leaving the 1000m she attempted to settle the horse but was forced wider when SAVVY GIRL, which tended to overrace, shifted out, forcing her wider. She added whilst acknowledging she was racing wide she was mindful of her instructions and rode the horse accordingly. Trainer confirmed the instructions as he felt the horse raced better when ridden in that manner. Explanation noted.

S. Comments:Crowded at the start. When questioned regarding the performance of the mare, apprenticed E. Ljung advised her mount failed to show sufficient speed to obtain a forward position and therefore settled in the second half of the field. She added that when the race quickened, her mount failed to sprint as she had anticipated, which she attributed to the horse rising significantly in weight from its most recent start.

regarding the performance of Laugh A Little, S Pollard stated that he was under no instructions however when caught wide in the early stages he allowed his mount to stride forward and lead whereupon the filly raced comfortably with only a moderate tempo being set. He added that Laugh A Little consequently proved most disappointing in its failure to respond to his riding in the straight. A post-race veterinary examination of Laugh A Little revealed no abnormality.
