Derbyshire stated that as she was going to be trapped three wide shortly after the start and unable to clear runners to her inside, she elected to ease and race behind those horses, however after shifting wider in the straight and asking the gelding to improve, the horse failed to let down as expected and in her opinion was disappointing. Trainer B. Andrew stated that he felt the gap between runs and today's heavy track may have had a bearing on the horse's overall performance. Stewards noted the explanations.

S. Comments:Rider questioned re riding in home straight stated he had difficulty obtaining clear running during early stages home straight. However, when afforded clear running passing 200m the mare failed to quicken and in his opinion was immediately under pressure. Jockey added for this reason he elected not to ride the mare out with usual vigour over final 100m. Stewards noted explanation and reminded jockey to ride mounts out to end of race. Trainer noted mare showing signs of coming into season prior to race, which may have had bearing on horse's performance.

S. Comments: B. Stower explained that the intention was to lead in accordance with its usual pattern. She said from the wide draw she strode forward and became concerned when TRIPLE JEOPADY, which was racing to her inside, was overracing slightly, and it would not settle, allowing her to cross. She added she had to make more use of her horse to cross that runner near the 800m. Miss Stower stated in hindsight it would have been preferable not to have made as much use of LANDALE but with the specific instructions she felt she had little alternative but to ride it in the manner she did.
