S. Comments:Slow into stride. When questioned regarding the horse's performance, apprentice J. Guthmann-Chester stated after receiving instructions he expected the gelding to show early speed, however after beginning well the gelding was unable to muster early speed, but once placed under pressure leaving the 600m, commenced to find the line well and in his opinion will be much better suited over a longer distance than that of today's event. Stewards noted the explanation.

Williams advised that after making heavy contact with the rail near the 800m and again near the 600m, the gelding never travelled strongly from that point and failed to run on in the home straight, proving disappointing. Ainsworth stated that she intended to settle in a handy position however her mount was caught wide in the early stages and she elected to ease and take a position worse than midfield with cover. Ms Ainsworth stated that her mount likes to work into a sprint however it had its momentum hampered at the entrance to the straight and near the 200m when it was disappointed for runs. Ms Ainsworth added that her mount was first up today, would benefit from the run and would appreciate resuming its normal racing pattern.

S. Comments:When questioned re shifting from a position two wide with cover to three wide without cover at the 600m rider stated that his mount was travelling strongly at that point and he did not want to get caught on the back of Rockabye Angel, which he felt was not travelling strongly, C. Small added that passing the 500m his mount was under pressure to maintain its position and it was very disappointing. A post race vet exam of the gelding did not reveal any abnormality. Trainer advised that she felt the gelding had reached the end of its preparation and it would be spelled immediately.
