S. Comments:Following the declaration of correct weight an application to have gelding declared a non-runner after being denied a fair start was made by connections. Stewards ruled that although gelding could not be declared a non-runner due to the fact that such application was made after correct weight had been given, it was established on the evidence and after viewing the patrol films that the gates on the barrier occupied by gelding had to been slow to open resulting in the gelding missing the start by one length. Jockey explained that he intended to obtain a forward position however when runners to his outside showed superior speed and crossed he felt that the gelding was never a winning chance from that point and was disappointing. A post-race veterinary examination revealed the gelding to be lame in the near foreleg and to be displaying soreness in its neck. Trainer was advised that prior to racing again he would be required to furnish a veterinary certificate of fitness.
