S. Comments:Raced ungenerously throughout after getting its tongue over the bit in running. Trainer advised Stewards that the filly would race in a tongue tie at future starts. Nonetheless trainer was advised that a warning would be placed on the filly and should it perform similarly at its next start it would be required to trial to the satisfaction of Stewards. A post-race veterinary examination of the filly failed to reveal any abnormalities. Trainer has since reported to Stewards that the filly has been working well in a tongue control bit.

S. Comments:When questioned in relation to the gelding's seemingly improved performance in today's event as opposed to it's previous start when it raced ungenerously throughout, trainer attributed the improvement to the addition of a cross over noseband and lugging bit, which assisted the gelding to race more tractably today. Stewards noted the explanation.
