Jockey said that the horse does not respond well to vigorous riding with the whip, and for that reason he desisted from using the whip over the concluding stages. Trainer expressed satisfaction with the riding of the horse and reiterated that the horse resents the whip applied and explained that the horse has been ridden in a similar fashion at its most previous two starts. S. Comments:Stewards questioned apprentice regarding his riding of the gelding in the home straight. Said that on straightening he was held up behind another runner and attempted a run to its inside as he was of the belief that had he shifted out he would have caused interference. Added that after obtaining a run to the inside he was again held up on heels and went to the finish without being fully tested. Apprentice agreed with Stewards that he had erred by not attempting a run to the outside when there was sufficient room to do so and it would have enabled him an unimpeded run to the finish.

S. Comments:When questioned in relation to riding tactics Jockey advised that after being fractious in the barriers and slowly away he allowed his mount to settle in a rearward position. He added that he travelled wide in the middle stages as he believed the inside going was inferior. He further stated he did not ride the gelding along in the downhill section of the track as he felt it would become unbalanced in the going and for this reason he allowed it to straighten and balance up before placing it under pressure and finishing strongly. The matter was adjourned to a later date.
