S. Comments:When questioned as to the disappointing performance, jockey advised that she was able to obtain a good position on the rail just behind the pace where the gelding travelled comfortably throughout the event. She further advised that near the 400m she attempted to improve into a run to the inside of another runner, however gelding was reluctant to improve into this run and from that point travelled only fairly for the remainder of the event. Jockey added that in her opinion gelding may be better suited racing on firmer tracks than that of tonight.

S. Comments:When questioned regarding the gelding racing in the lead today, rider stated that she did not have specific instructions other than to be positive in the early stages and after beginning well and due to a lack of early speed in the race she found herself in front. Rider was fined \$200 under AR137(b) for failing to ride the gelding right out to the line at least hands and heels. In assessing penalty Stewards did not believe that her actions had a bearing on the final placings.

Stewards interviewed rider as to the disappointing performance , jockey stated the gelding had been slow to begin and was reluctant to race. He was unable to give any explanation for the disappointing performance, however added very hot weather and gelding did not back up. A post - race vet examination revealed that although the gelding was not lame, it did have injury to off front hoof. Trainer advised that a vet certificate of fitness is required before permitted to start again.
