S. Comments:Began awkwardly and shifted out. Rider questioned re disappointing performance - travelled well in early and middle stages but failed to respond to his riding rounding the home turn and compouned leaving the 200m. Trainer noted it was having first start after a freshen up but was dissapointed in overall performance and indicated that it would now be sent for a spell. Vetted - no abnormalities found.

S. Comments: After showing speed to lead compounded badly after rounding the home turn and when tiring made heavy contact with the inside rail at the 200m almost dislodging her rider. Post-race was vetted and found to have a slightly elevated heart rate and some inconsistency with it's breathing. Trainer was advised the filly would be barred from racing until it completes a satisfactory gallop over 800m in the presence of a steward and vet and then be cleared by the vet prior to racing again.

A short distance later continued to over race and had to be shifted wider on the track to avoid the heels of the runner in front and in doing so made heavy contact with the runner to her outside. Apprentice jockey reported that gelding over raced in the early and middle stages and refused to settle. Apprentice jockey further added that

S. Comments: Stewards considered an objection lodged by rider of gelding against the declared winner alleging interference near the 400m. On the evidence and after viewing the official patrol films Stewards established that near the 400m the winner shifted out and inconvenienced gelding however bearing in mind the minor nature of interference and the manner in which both horses ran to the finish Stewards could not be comfortably satisfied that had the interference not occurred gelding would have beaten the winner therefore the objection was dismissed.
