S. Comments:Slow to begin. Tailed the field in the early and middle stages. When questioned regarding the performance, jockey reported that in his opinion the gelding, which was having its first start after a spell, would be better suited to races over a longer distance than today's event. He added that he believed the gelding would benefit from the removal of ear muffs from the gear. Trainer confirmed he would give consideration to removing the ear muffs for the gelding's next start.
