S. Comments:When questioned regarding the performance of the gelding Jockey Hellyer said that the travel today and the previous day may have had an adverse effect on the horse. He said that in his opinion it may not appreciate racing over 1800 metres and the fact that it had another runner to its outside which pressure for the lead from the 1000 metres until near the 400 metres may have been detrimental to its poor performance. A post-race veterinary examination did not reveal any abnormalities.

He added that the gelding travelled reasonably throughout the event, however when placed under pressure rounding the home turn failed to respond to his riding as he had anticipated and proved disappointing. He added that in his opinion the horse may not have been entirely comfortable on the heavy racing surface today.

She advised that her instructions were to take an easy lead if possible however if it was not possible to take a sit behind the leaders and work home from the 600m. She added that she attempted to lead but at the turn out of the straight the horse was three wide and unable to cross and therefore she was forced to race outside the two leaders in a three horse field. She added added that the horse hung out slightly to place her in a four wide position during the event
