On returning to scale jockey Bradley Appo reported that after being slow to begin the horse failed to respond to his urgings to improve its position and was reluctant to stretch out, resulting in the horse trailing the field throughout the event. A post-race veterinary examination revealed no abnormalities. Trainer R. Smith advised that the horse has a history of hoof issues, which she believed may have been a contributing factor in the horse's poor performance tonight. Ms Smith undertook to report to Stewards the results of further veterinary tests she intends to have carried out. | | | |

| S. Comments:When questioned by Stewards in relation to the horse's seemingly improved performance, Trainer L. Hatch advised that the horse was having its first start for his stable and he was therefore unable to explain the horse's previous poor performance. Trainer Hatch added that the colt had been working well, and had jumped out well prior to today's event. Stewards noted the explanation. | | | |
