Questioned re riding rounding home turn and early in straight - rider stated intention to follow runner forward of him to outside of field but his mount commenced to lay in upon straightening so elected to shift back to inside. Whilst laying in horse was improving into race so allowed it to continue to shift into the fence instead of straightening it to angle for a run which became available 3 horses off the fence. Explanation noted.

Had some difficulty obtaining clear running upon entering the home straight. When questioned regarding the tactics adopted, jockey G. Colless stated his instructions were to ride in a forward position, however after beginning only fairly was unable to muster sufficient early speed and therefore elected to take up a position towards the rear of the field.
