As the horse had been racing in the lead and not finishing its races off the intention was to settle in a one out one back position with cover. After travelling a short distance in today's event the horse dropped the bit which allowed REDSSON to cross it resulting in the horse settling further back than anticipated.

S. Comments:When questioned regarding tactics adopted, jockey R. Fradd stated that as the mare was having its first start after a short break the instructions were to obtain a position with cover. He added that after complying with these instructions the mare finished the race off strongly and also stated that as the mare steps up in distance, he would expect it to be settling in a position closer to the lead.

S. Comments:Raced ungenerously in the early stages and near the 1600m had to be steadied to avoid the heels of another runner. Finished tailed off. Vetted and found to have a poor post-race recovery. Trainer said the horse has a history of making an abnormal respiratory sound. Stewards advised trainer that she would be required to obtain a veterinary clearance for the horse, including the results of an endoscopic examination prior to next racing, and the horse will be required to trial to stewards' satisfaction. Trainer advised that the horse will be sent for an immediate spell.
