S. Comments:Began awkwardly and shifted out abruptly. Rider reported that the colt began awkwardly at its previous start resulting in it losing ground at the start. Rider added that it then overraced badly in the early and middle stages and as a result was forced to race 4 and 5 wide and despite this finished the race off well. Rider further added that despite beginning awkwardly today it was able to muster speed early and obtain the lead, which had always been the stable's intention.

S. Comments:When questioned as to the performance, Jockey K McEvoy stated that despite travelling wide with cover, the mare failed to finish off the race as expected and in his opinion proved disappointing. A post-race veterinary examination failed to reveal any apparent abnormalities at the time of examination. Trainer R James reported that the mare suffered from a bout of colic the night following the race which may have explained the performance. He would wait to see how the mare recovers before deciding on its current campaign.

S. Comments:When questioned regarding his mount racing forward today, rider H. Bowman stated it was never his intention to lead and he had hoped to obtain a position mid field with cover. He added the mare which has had a tendency to be slowly away, today jumped cleanly, so he crossed from a wide barrier and attempted to steady the pace in the belief that runners would then improve around him. When this did not eventuate Gypsy Diamond commenced to over race and he therefore elected to allow his mount to stride forward rather than fight it.

S. A post-race veterinary examination did not reveal any abnormalities. Trainer Mr R Northam agreed with the views of R Thompson and indicated that, with only one trial leading up to today's race and being first up over 1200m, his condition had given out.

S. Comments:Questioned re performance - rider stated filly began better than expected and was obliged to race 3 wide. Reluctant to restrain to rear of field to obtain cover was travelling comfortably in a wide midfield position. Quickened when asked to improve leaving 500m but peaked on its run over the concluding stages. Whilst noting filly was required to cover extra ground he thought 2nd up over 1400m may have explained the disappointing performance. Vet exam - no apparent abnormalities.

S. Comments:When questioned concerning the filly leading today, G Boss stated his mount jumped well and, as he assessed that no one appeared to be taking the initiative to go forward, he allowed his mount to stride forward and cross. The Stewards confirmed with trainer Mr K Schweida that the expectation had been that Miss Cover Girl would race behind the pace, which is its normal pattern.

S. Comments:Questioned re: dissapointing performance - rider stated elected to ease in early stages to obtain cover. When placed uner pressure near 500m failed to respond to riding and only found the line fairly. Thought it may have come to the end of its prep. Post race vet found to be lame in off fore leg.
