Comments:When questioned regarding the tactics adopted from the 600m, rider J Cassidy stated that after travelling relatively well at a suitable tempo in front, he felt on passing the 600m his mount, which was being urged along at that point, would be better suited in what he considered to be better footing approximately four horses away from the inside. He added that in his opinion Strawberry Boy's run ended which he attributed to it missing a run at the Hawkesbury race meeting on Saturday 2 May 2015 which was abandoned after Race 1.

At its first start the filly, after being slow to begin, suffered interference during the early stages which contributed to its disappointing performance. Stable added that the filly began well today and was able to travel comfortably in a midfield position, which with the addition of blinkers contributed to the improved performance.

Reluctant to restrain to rear of field to obtain cover was travelling comfortably in a wide midfield position. Quickened when asked to improve leaving 500m but peaked on its run over the concluding stages. Whilst noting filly was required to cover extra ground he thought 2nd up over 1400m may have explained the dissapointing performance. Vet exam - no apparent abnormalities.
