However she believed it did not muster sufficient early speed to take up that position and settled at the tail of the field. Miss Harrison added she attempted to improve her position after passing the 600m, however the horse did not respond and felt awkward in its action over the concluding stages despite working to the line fairly. S. Comments:Inquiry re tactics adopted, in particular the pace set in the early and middle stages of the race. Rider T. Harrison indicated that she had not intended leading but when caught wide in the early stages she pressed on to the lead. She added her mount overraced in the lead and raced even more keenly when EVERYBODY HAPPY improved to her outside near the 900m. She advised connections that, in her opinion, they would be best served backing the horse up quickly as the mare raced too keenly in today's event.

S. Comments:Stewards questioned rider J. Byrne regarding the performance and his tactics. He stated that due to interference occurring forward of him near the 800m and because of the steady pace being set in the event, he shifted wider on the track rather than steady from heels. He added that he was wide as a result of this, however the horse travelled well into the home straight and was doing its best work over the concluding stages and he was pleased with the overall performance.
