Reported that gelding pulled up well after the race and blood tests had failed to reveal any abnormalities. Would step gelding up in distance next start. She stated that it failed to travel in the middle stages and, whilst it did have some excuses, it sprinted only fairly. Ms Jamieson stated that her mount raced like a horse not interested in racing. When questioned, trainer Mr H. Norman stated the mare had worked well and he was very disappointed with its performance. S. Comments:When questioned regarding the mare racing further forward, rider stated he was instructed to ride his mount in a midfield position.Rider

explained that when his mount began fairly he rode it along in which it

responded stronger than he expected. M. Dolendo stated that his mount settled in

handy position, where it raced comfortably and sprinted strongly to the line. When

question regarding tactics trainer stated it was the mares second start

for his stable. Mr Randall added that at the mares most recent start it raced worse

than midfield from a wide barrier.

Lloyd indicated that his intentions had been to be in a forward position however when the horse began awkwardly he was obliged to take up a trailing position behind BUKEKAYO. He indicated that he was forced to steady further when inconvenienced when racing to the inside of FORTINI and this caused him to lose further ground. He felt however that the horse improved well into the race rounding the home turn and was doing its best work over the concluding stages.
